

SCHOOL TRIP TO AVIODROME

A SCHOOL TRIP AT HIGH ALTITUDE

Boarding passes to hand? Then your trip to Aviodrome Aviation Museum can begin! Here, you will experience one hundred years of aviation history. The famous Uiver and the legendary Fokker Spin certainly catch the eye, and the Boeing 747 is impressively large. You will visit places you would never otherwise see. The kitchen, for example, and the baggage compartment... Super exciting!

An adventurous day in the clouds

When you take a seat in our 4D cinema, it's as if you're actually flying through the clouds. You will feel raindrops, mist and cold jet streams, and every now and again sense smoke, too. The entire class will be on the edge of their seats.

Time flies

Students can also experience how it feels to move over the baggage conveyor belt as 'live baggage', going through small spaces, past obstacles, and down slides. They will signal their names in Morse code, take a seat in the flight simulator, and test themselves on the obstacle course. Exciting, active and educational for boys and girls!

Address:
Pelikaanweg 50
8218 PG Lelystad Airport

For more information,
call 088-9000360 or
visit aviodrome.nl/schoolreisjes

Extra option: a guided tour

'How fast can a plane fly?', 'Why does this plane have square windows but the other one round?', 'Were there flight attendants on board in the past too?'

Children can ask all their questions during a guided tour. As the guide leads them through the museum, they can answer any inquiries.

The guided tour lasts one hour and costs €79.95.

Fun preview with the free teaching packages

In order to thoroughly prepare your visit with the class, Aviodrome has put together three fun, educational and active teaching packages. The teaching material covers the following topics:

- > History of Aviation
- > The operation of a plane
- > Radio

The teaching packages can be requested free of charge. Let the school trip fun begin!

Prices and packages

Aviodrome has offers advantageous admission rates especially for schools (20 people minimum):

- > Primary schools starting from €5.95 p.p.
 - > Secondary schools starting from €7.95 p.p.
- An affordable catering package can also be added, including for example chips, a snack, drinks and an ice cream.

For all of the prices and packages, please see the attached price list or visit aviodrome.nl/schoolreisjes.
